Meeting of August 14, 2016

Minutes

Commander Howard Goldstein called the meeting to order at 10:00 A.M. Members present were: H. Goldstein, J. Wilkerson, M. Turner, B. Mayor, H. Bogolub, M. Sawyer, F. Stopsky, J. Trafimow, L. Turner, and R. Heisler.

Minutes of the July meeting were approved.

Commander's Report: Howard Goldstein announced that the national annual meeting was starting today, in Savannah, Georgia. There appear to be two key issues – a new direction for the organization, and how to attract younger vets. There will be streaming if anyone wishes to watch.

Quartermaster's Report: Leslie Turner said that we have \$554.39 in the bank. We have 21 total paid members; 22 including patrons.

No Senior Vice Commander report.

Junior Vice Commander report: Bruce Mayor shared information on events helping in Cook County. The Departmental Memorial Day Ceremony at Oakridge Cemetery will continue. We still need an alternate for the DuPage VAC. And we need to make sure we have our table covered at the High Holiday Hustle. John Wilkerson has volunteered to do that.

Old Business: Fred Stopsky, Mike Warner, Howard Goldstein, and John Wilkerson have created a draft proposal of our Sunday School education plan. This plan was shared and discussed. There was consensus as to presenting it to the next level.

Mike Sawyer shared information about a book he has read. It is the Vera Britton story from the 1930's. He will share details with members through email in the near future.

Fred Stopsky volunteered to share info about a book at the October meeting.

Our next meeting is on Sunday, September 11. Following regular business activities there will be a presentation by Journey Care.

Commander Goldstein called the meeting adjourned at 11:15 A.M.
