JWV OPPOSES SECTION 108

TAKE CARE OF AMERICA'S VETERANS ACT
H.R. 9237 / S. 4744
TARGETED BENEFITS: SLEEP APNEA + TINNITUS

THE BOTTOM LINE

Congress must not fund new benefits for combat-injured Veterans by cutting disability compensation and health care benefits for future generations of disabled Veterans.

VA ESTIMATE

1.5 MILLION
VETERANS POTENTIALLY DENIED

$57 BILLION
IN EARNED BENEFITS AT RISK

"THIS IS NOT SAVINGS."

It is a denial of benefits to future Veterans who have not yet had the chance to claim them.
SCOTT STEVENS | JWV NATIONAL COMMANDER

SUPPORT THE BILL. REJECT THE CUTS.

JWV supports the Major Richard Star Act and other key TCAVA provisions, but Congress must find another funding offset.
